Hello Terrapins,

Hope you're ready for another great week of club running. We had a very successful time trial on Saturday and we're gearing up for our first cross country meet this weekend, **the sign up closes tonight!** Read on to hear about everything we have coming up this week.

Practice

Practice will start for the fall on the first day of classes, **September 2nd, at 5:00 PM**. Practices are optional for all our members so come as often or little as you are able/desire, we'd love to see you there!

Same as last year **we will meet at 5pm every Monday-Friday** (Until daylight savings ends and practice switches to 4pm). Distance runners will meet at the [School of Public Health Overhang](#), (38.99334, -76.94220) and sprinters will meet at [Kehoe Track](#) unless otherwise noted, (38.98765 -76.95096). If you're having any trouble finding the overhang or the track then slide us an email, Instagram dm, or GroupMe message

We only have one requirement for people attending practice, it's very easy but important! Please make sure that you are signed up on IMLeague so we can make sure everyone is safe and accounted for. If you have any issues or questions please let us know! Note: If you're under 18 when you join the club there's an extra step to sign up, it's easy but might be slightly confusing. Come talk to an officer at practice and we can help you get signed up!

New Member Information

The start of the new school year is a great (at least top 5) time to join the club! If you are new to the club or considering starting to come to practice then congratulations, you have taken the most important step towards staying in the loop. We send out all official communications through our weekly emails. Joining a new club can sometimes be overwhelming so **we have compiled all of the necessary information about Club Running in this [information document](#)**. This document has been updated for the new school year.

New members, please take a look at it and do not hesitate to reach out with any questions! Current members please share this link with any friends that you are trying to introduce to the club! Always remember, while our club gets competitive, it is also fun (arguably more important), practices are never required! We know everyone has a lot going on but if you can make it out a couple times a week that is so much better than not at all. (Our current president Evan Masiello regrets not going to practice his first semester even though he could only make it on Fridays) Also, if you show up to SPH or the track you will

always have people to run with! There is a wide variety of skill and experience levels on the club and there's room for everyone!

Info Doc!

Some important groundskeeping stuff, to be registered for the club you must sign up on these two university websites:

1. [IMLeagues](#) - This website is an ad-ridden nightmare that sadly all members must re-register on at the start of every school year. Make sure you complete the concussion quiz, and fill out the emergency information form.

2. [TerpLink](#) - This only needs to be done once when first joining the club, after that you're good!

The detailed instructions on how to sign up on these two websites can be found in our updated [information document](#).

Additional ways to stay connected with the club include [GroupMe](#), [Strava](#), and [Instagram](#). Also check out our website! umdclubrunning.com

Time Trial Recap

Football Catering (September 13th!)

This fall Club Running will once again be catering the Mezzanine Boxes for all UMD home football games! This is very exciting for us because it's a fun way for us to help fund all of the exciting things that we do during the year. **Not only is it fun, but we also humbly require that all competing members of the club complete two fundraisers for every semester that they compete, and for the fall our primary fundraiser is catering the football games.** It is very easy, all you need to do is write down orders and bring the fans in your section food from the kitchen (Absolutely no cooking required and you're free to feed yourself as well). **You get a great view of the game from the box seats and, after you fulfill the fundraising requirement of two games, you get to keep all of your tips!** Please sign up for any games

that you would like to cater, but we **especially need people to cater the first football game of the season on Friday!!!** If you have any questions about catering please reply to this email or reach out to Ryken Mak, the fundraising treasurer, at 510-826-9534!

Training Plans

While never required, workouts are an important piece of training for those who wish to compete with us. Even if you don't want to compete, hopping in a workout is a great way to challenge yourself and become a better runner. As always we will have two recommended training plans: A distance plan and our sprinting training plan. These workouts are suggestions so feel free to modify your training as you see fit. **During the cross country season sprinters and field athletes obviously can unfortunately not compete in their usual events, but we still host practices every day and have a sprints training plan for the fall!**

If you have any questions about the workouts please reach out and we can put you in touch with the creator of the plan you're looking to follow. It is important to note that these plans are best paired with some good base mileage during the summer and early in the semester!
