Attention Runners,

It is that time of year again, the apparel form is open now for the season. We are hoping to have everything in by nationals this year, though some say that club apparel can last you a lifetime. Check out the order form and place orders for apparel for this season, including brand new singlets! This form will close on Friday September 27th so don't waste any time. Any questions can be directed to Stacey at (414) 331-5998.
