## Nationals Meet Recap

This weekend we had an amazing time racing at NIRCA NATIONALS!!!!

The journey started at 5pm at the school of public health like many do. Club runners gathered eager to enter the cars and start the drive to Hershey. After a short wait everyone was off. After a short drive up we finally arrived at the Comfort Inn. Athletes dropped some bags in their hotel rooms and made a quick departure again for Olive Garden. At the peak about 37 UMD Club Runners were enjoying the breadsticks and pasta of the aforementioned restaurant. After a quick aura off with UNC (we won) and the help of many extremely nice and generous waiters and waitresses, the team was well fed. Everyone returned to the hotel and went right to sleep so they were well rested for our 7:30am departure.

Everyone arrived at the meet bright and early. We all made sure to put on our thinking caps and thoughtfully prepare for the day of competition ahead. The next morning our racing started off with the open 6k. We had 7 athletes representing us in this race. Leading off the pack was John Schmidt, who placed 16th with a time of 22:53!
