## **IM CHAMPIONS**

Congratulations to our Women's 11v11 Intramural Soccer Team for winning the championship game on Sunday! They played an impressive game, controlling possession and showing incredible ball movement and teamwork the whole time. "Club Dropouts" had nothing on us as we beat them 2-0 to lay claim to the elusive IM T-Shirts. Thank you to everyone that came out to support, it made for a very fun game! Back to running I suppose but the other 7v7 IM teams better watch out because we'll be back for more.
